2
3 // Please see README.txt
4 // We will go over the answers in class.
5 // Thank you.
6
7
8 /*
9     Nothing worng with B2 code.
10    CSC220 or MidtermExam01B3
11 */
12 class MidtermExam01B3 {
13
14     private MidtermExam01B3() {
15     }
16
17     private MidtermExam01B3(int x) {
18     }
19
20     private MidtermExam01B3(int x, int y) {
21     }
22 }
23
24 /*
25
26 class MidtermExam01B3Child extends MidtermExam01B3 {}
27
28 From PKG01 and in-class discussions:
29 MidtermExam01B3 must have a protected, public or default constructor to be extended.
30 We can not extend MidtermExam01B3.
